WELCOME TO

let there be
Crumbs
CAKERY, TEAROOMS & GELATERIA

We're passionate about delivering quality and work with local suppliers to give you the tastiest treats.

Our captivating display counter offers a selection of cakes and treats you know and love with a few more contemporary additions to excite and tantalise your tastebuds.

For all its authentic Italian flavour, our gelatos are made just up the road by Ciccarelli, Northumberland - an award-winning family-ran business making artisan gelato. They use the finest ingredients sourced from Italy with fresh cream and whole milk from a local dairy farm to craft their frozen delights. Ice-creams at the beach just got even tastier!

So whether it's a relaxing stop-off from a coastal wander, a place for a catch-up and light bite or just a pot to sit and watch the world go by with a good brew and guilty pleasure...

...enjoy making crumbs!

Gelato

From traditional flavours like vanilla, strawberry and chocolate to more eclectic and bespoke creations like Ferrero Rocher and bubblegum. The selection we have changes regularly, so the best way to decide is to peruse the counter!
